SUGGESTIONS ON STREET REPAIRS

CITY MAKES OFFER TO HELP
TEMPORARY IMPROVEMENT
OF OAK AND ELK

ACTION AUTHORIZED

CITY MANAGER TO TAKE UP
RECOMMENDATIONS WITH
PROPERTY HOLDERS

Temporary improvement of Oak street was suggested at the meeting of the Board of City Trustees last night by T. W. Watson, city manager, who proposed that if the property holders will subscribe a sufficient sum to pay for the cost of oiling the thoroughfare, the city will regrade the roadway and apply the oil and, further, if the property holders desire, the city will apply screenings, if purchased by the property holders.

It was pointed out that this was not a policy to be adopted generally, but as Oak street was declared to be in bad condition, the city manager was of the opinion the city was justified in making the offer to the property holders.

At the suggestion of Trustee Lapham, the same offer will apply to Elk avenue. On the motion of Trustee Bartlett, the city manager was instructed to take the matter up with property holders on both Oak and Elk and ascertain their desires.

Estimate Is Given

It was estimated that the total cost for oil and screenings for a fifty-foot lot fronting Oak street would be \$16.78.

It was stated that property holders on both Elk and Oak favor permanent street improvements, but they are urging the work be delayed until the city installs four-inch water mains. The property holders, it has been pointed out, do not desire a permanent pavement laid, only to have it torn up to install mains. The proposed temporary improvement, however, will be brought to the attention of the property holders by the city manager and, perhaps, an agreement reached.

Report in Full

The report of the city manager regarding the meetings held by property holders regarding the street improvements and his recommendations, follow in full:

FOR PATRIOTISM

COLUMBUS AVENUE ASSOCIATION
HOLDS PROGRAM; EX-SERVICE
MAN IS SPEAKER

The Columbus Avenue Parent-Teachers' association enjoyed a patriotic program at its regular meeting held yesterday afternoon at the school. After the president, Mrs. H. V. Henry, had disposed of necessary business, the meeting was given over to Mrs. C. L. Peckham, chairman of program, who had arranged for the afternoon's entertainment.

A flag salute and singing of patriotic songs was followed by recitations given by some of the younger pupils of the school. These little future American citizens were very sweet and earnest in their patriotic numbers and elicited much applause.

Talk on World War

Mr. Hayward of Thornycroft, a participant in several battles of the war, was then introduced and gave his audience a real treat in his most interesting talk on "The World War." He gave both general descriptions and personal experiences in a way that held the pleased attention of his listeners and brought forth many expressions of appreciation that the members could have this opportunity of hearing one of our own soldiers who had given much to demonstrate true patriotism.

Mrs. Kathryn Wilder Is Taken By Death

Mrs. Kathryn Ramsey Wilder passed away February 23 at the age of 31 years. She was a native of Pennsylvania, having been in California only seven weeks. She is survived by a husband, Chester L. Wilder, her mother, sister and brother in Pennsylvania, and a sister, Mrs. Ruth Thume of 113 East Lomita avenue, with whom she had been visiting. Funeral services will be held from the Little Church of the Flowers, Forest Lawn cemetery, February 26, at 1:30 p. m., Rev. Cole, of the First Christian church, officiating. The L. G. Scovren Undertaking company is in charge.

CITY TRUSTEES

OFFICIAL PROCEEDINGS OF THE
BOARD AS TAKEN FROM
MINUTES OF CLERK

At the regular meeting of the Board of City Trustees, February 24, the following business was transacted:

Board assembled at 8 o'clock p. m., all members present. Minutes of the regular meeting of February 17 were read and approved.

Bids for Sycamore Canon Road

In accordance with advertisement, bids for the improvement of Sycamore Canon Road were opened and read and publicly declared as follows: Bids of the Los Angeles Paving company, Peter L. Ferry, George R. Curtis and George Oswald. The bids were referred to the city manager. There being a large number of spectators present interested in these bids, the chairman announced that no further action in regard to them would be taken at the present time.

Glendale-Montrose R. R. Franchise

Mr. McFarland of the Glendale-Montrose R. R. Co., brought up the matter of franchise requested by his company and on motion of Trustee Bartlett the matter was laid over for one week and the city manager instructed to investigate and report to the board.

For Private Sanitarium

Mr. Everson addressed the board in behalf of Mrs. Whitney who had previously applied for a permit to conduct a private sanitarium at 1134 East Lexington Drive. The application was referred to the health officer for investigation and report in one week.

Establish Local Bus Service

An application was presented by A. P. Offut stating that the applicant is considering the establishment of a local bus service to follow certain specified route and requested the assistance of the city officials in making arrangements for the same. The matter was referred to the city attorney.

Permits to Sell Milk

Applications for permit to sell milk were presented from Mrs. Anna Anderson and from Charles E. Moser, both being approved by the sanitary inspector, were granted.

Insurance for City Automobiles

A letter was read from Arthur C. Amos, insurance agent, in regard to insurance policies issued by the company represented by him covering the (Continued on Page Three)

Glendale's Company Of Guards At Drill

Glendale's Fifth Separate company of infantry, National Guards, drilled last night at the high school athletic field, Captain Thomas D. Watson reports. Temporary non-commissioned officers were named to assist First Lieutenant Normal C. Hayhurst and Second Lieutenant Charles W. Lettis in the drilling under Captain Watson's direction. George A. Grist was named first sergeant, having served in the regular army during the world war in that capacity.

For a temporary armory and club room, the guardsmen have secured the quarters vacated by the American Legion over the Boulevard Branch, Los Angeles Trust & Savings bank, according to Captain Watson. It is his intention to install reading tables, games and other amusements for members of his organization, as well as using the rooms for company headquarters and supply.

The high school athletic field will be used for drilling and \$50 appropriated for lights was passed by the city trustees at their meeting last night.

Deacons Of Church Are Honored Guests

The deacons of the Presbyterian church, together with their wives and the pastors and their wives, were very pleasantly entertained last night by Mr. and Mrs. James W. Cooper at their home, 119 North Cedar street. The decorations, which were of red and white carnations and blue corn flowers, were in keeping with the celebration of the birthday of George Washington, as to a greater extent was the cherry pie which formed a part of the refreshments. Guessing contests and games that were suggestive of our "grandmother's days and music comprised the entertainment for the evening.

Those present were Rev. and Mrs. W. E. Edmonds, Rev. and Mrs. Louis Tinning, Mr. and Mrs. Willard Boyd, Mr. and Mrs. Roy D. King, Mr. and Mrs. E. W. McCormick, Dr. and Mrs. J. K. Glickerson, Mr. and Mrs. G. P. Porter, and Mr. and Mrs. James W. Cooper.

HOWE, Neb.—The State bank of Howe building was the only thing left behind by burglars. They stole all the money, fixtures and the outside door.

NEW MARK FOR LOCAL BUILDING

PREDICT THAT THIS YEAR IS
TO PASS HIGH RECORD
SET BY 1920

BANNER IS SHOWING

TOTAL OF PERMITS SO FAR
FOR FEBRUARY \$188,760;
BLOCKS PLANNED

Two hundred thousand dollars is the goal for February, 1921, building record here with the figure standing today at \$188,760 and three more days to go. Five more fair-sized permits and the city will be over the top for a banner showing in new construction.

A week ago the month's record surpassed those of previous years for the same period. The year's total to date is \$332,543. However, this is but a start. Business blocks contemplated for erection this spring total in the hundreds of thousands of dollars. Churches planned will add more than \$100,000 to this figure, it is believed. There is every indication that with the development in new tracts and the building on many vacant lots Glendale's building record will surpass its great record in 1920.

AUTO IS WANTED

CITY OF GLENDALE IN MARKET
FOR MACHINE; MOTORCYCLE
ALSO BEING SOUGHT

The city of Glendale is in the market for a four-cylinder, two-passenger automobile.

The city also wants one two-cylinder motorcycle for the use of the traffic officer.

At the meeting of the Board of City Trustees last night, bids for the auto and the motorcycle will be received March 17, on motion of Trustee Henry, on the following recommendation filed with the board by T. W. Watson, city manager:

"I would respectfully recommend that the clerk be instructed to advertise for bids to furnish the city of Glendale one four-cylinder, two-passenger automobile and that bids be received at the same time to furnish the city one two-cylinder motorcycle fully equipped for use of traffic officer. Bids to be received March 17, 1921."

CARD PARTY FINE SUCCESS

A group of public-spirited people in the southern part of Glendale arranged a card party which was given in the branch library building last night, and the proceeds from which are to be used towards the purchase of a motion picture machine to be used in the schools of that section. The arrangements were in charge of Mrs. E. V. Bacon, with Miss Cora Hickman as captain; Mrs. R. Danner, chairman of refreshments; Mrs. Rice and Mrs. Becker, decoration committee, and Mr. Farrell, as general assistant. The hall was decorated with acacia blossoms. The ladies' first prize was won by Miss Harriet Bagg, and second prize by Mrs. Lawrence. Gentlemen's first prize was won by Mr. Farber and second prize by Mr. Well. Refreshments of sandwiches, coffee and cake were served. Another party will be given some time next month.

FIRE AT PEARSON'S KITCHEN AND PORCH OF HOME RUINED WHEN GASOLINE FOR CLEANING EXPLODES

Fire shortly before noon today destroyed the rear porch and kitchen of the Guy Pearson home, 807 South Maryland avenue.

The two-story house, which was owned by R. Bainbridge, 634 North Howard street, a recent arrival from the east who has made several investments in property here, was thoroughly water-soaked.

The damage will likely amount to \$1000 or more. Some insurance is carried, according to Mr. Bainbridge.

Miss J. A. Brown was slightly burned, according to her sister, Mrs. Pearson, as it was the former who was dry cleaning clothing with gasoline in the tub on the rear porch, when the fire started. A boiler adjoins the tub and this was lighted to furnish hot water.

It is Mrs. Pearson's belief that the fumes of the gasoline ignited and caused an explosion, which soon spread flames to the kitchen. Friends rushed in and all of the household effects were removed to safety. With the prompt arrival of the fire department the blaze was confined to the rear of the house.

Mr. Pearson is in Brawley where he is connected with a vegetable shipping concern.

DEED OFFERED

SCHOOL BOARD WILL AID IN
OPENING GARFIELD AVENUE,
MARIPOSA TO ACACIA

The Acacia avenue public school property will not be included in the district to be assessed for the opening of Garfield avenue, it developed at the meeting of the Board of City Trustees last night, for the city school board has decided to deed to the municipality a thirty-foot right-of-way along the school property.

It was pointed out at the meeting of the trustees last night that the decision of the school board is of material aid to the city in its plans to extend Garfield avenue from Mariposa avenue to Acacia avenue and the trustees expressed appreciation of the assistance.

From City Manager

In connection with the proposed improvement, T. W. Watson, city manager, filed a communication with the trustees and recommended the acceptance of a deed to the thirty-foot strip from the school board. On motion of Trustee Henry the required authorization was voted. The city manager's communication follows:

"In the opening and extension of Garfield avenue from Mariposa avenue to Acacia avenue as proposed in proceedings now being prepared pursuant to your instructions, a thirty-foot strip along the north line of the Acacia avenue school property will be acquired for street purposes. Upon calling this to the attention of the school board through Richardson D. White, district superintendent, we are informed by Mr. White that the board has instructed that it will be glad to co-operate with the city in the matter of opening Garfield avenue as proposed to the extent of granting the thirty-foot right-of-way along the school property.

"Accordingly we would respectfully recommend that the deed be accepted as suggested by the school board and that the school property not be included in the district to be assessed for the opening of Garfield avenue."

REPAIRING WALKS

CITY TO DO SMALL JOBS AND
COLLECT ESTIMATED COST
FROM PROPERTY OWNERS

On motion of Trustee Lapham, the Board of City Trustees, in session last night, authorized T. W. Watson, city manager, to have the city make repairs of sidewalks and curbs in the city where the work to be done was too small for a contractor to do it. The city will collect the estimated cost from the property holders in advance, it was decided.

At a recent meeting of the board, the city manager was authorized to conduct a campaign to have repaired sidewalks and curbs where necessary throughout the city.

Communication Filed

At last night's meeting, the following communication was filed with the board by the city manager:

"Pursuant to your authorization of February 10, we are preparing to conduct a campaign for the repair of all sidewalks and curbs in the city. In this connection we anticipate that those who have a small amount of repairs will have difficulty in getting the work done as in many instances the amount will be so small that contractors will not care to do it.

"We would therefore respectfully request authorization to have in such instances repairs made by the city on condition that the estimated cost thereof be paid in advance."

ORANGE GROWERS PLAN TO TRUCK FRUIT

(Special Service to Glendale Evening News)
RIVERSIDE, Cal., February 25.—Lemon growers of the Riverside district, following the announcement of a water rate to New York of 70 cents a hundred, are now planning to truck their fruit to the port of Los Angeles to avoid the rail rate between Riverside and the coast. H. A. Lynn, of the Arlington Heights Fruit company, this morning stated that under the new water rate Riverside growers will be able to truck fruit to the port of Los Angeles and ship by water at a cost of between 75 and 80 cents, against \$1.45 by rail in ventilated cars and \$1.65 in refrigerator cars. The reduction of 35 cents by the interstate shipping conference is received here with rejoicing. The Arlington Heights company will ship three cars of lemons by water; one to London, one to Boston and one to Charleston, S. C., the first week in March.

BANDITS FOILED IN SEARCH FOR LOOT

(Special Service to Glendale Evening News)
BLOOMINGTON, Ill., Feb. 25.—Bandits who early today held up and robbed the "Hummer," Chicago and Alton's crack Kansas City flyer near Pleasant Hill, Ill., made a "water haul" according to U. S. Davis, mail clerk on the train. Four small packages of registered mail which Davis estimated were worth about \$10, were taken. A number of important registered mail packages had been transferred from the train earlier in the evening in Missouri. The bandits apparently had received word of these packages and were looking for them.

HARDING TELLS OF HOOVER APPOINTMENT

(Special Service to Glendale Evening News)
ST. AUGUSTINE, Fla., Feb. 25.—President-elect Harding today announced that Herbert Hoover had been appointed secretary of commerce and Henry Wallace secretary of agriculture in his cabinet. Harding denied that Hoover had attached any "stipulation" to his acceptance of the commerce portfolio and said they were in perfect accord.

CARUSO CELEBRATES HIS 48TH BIRTHDAY

(Special Service to Glendale Evening News)
NEW YORK, Feb. 25.—Enrico Caruso celebrated his forty-eighth birthday today by showing further improvement in his condition. He has been ill with pleurisy since Christmas and recently suffered a relapse. He received hundreds of messages of congratulation from all parts of the world.

Afternoon Tea Is Greatly Enjoyed

Mrs. E. D. Wolbach of 373 Myrtle street and Mrs. W. H. Boothby of 348 West Lexington Drive entertained at an afternoon tea yesterday at the home of Mrs. Boothby in honor of Mrs. George Pratt and her house guest, Mrs. Diggles, of Portland, Oregon. Daffodils, Chinese lilies and acacia blossoms were used as decorations, with violets as the centerpiece of each tea table.

The invited guests were Mrs. Wolbach's mother, Mrs. Mary Chestnut, Mrs. B. F. Bolen, Mrs. C. O. McGee, Mrs. C. H. Pendleton, Mrs. H. G. Hordford, Mrs. John Torrey, Mrs. Clyde Eckert, Mrs. J. P. Clark and sister, Mrs. Whitby, of Pittsburg, Mrs. J. A. Endicott, Mrs. R. D. Angelica and mother Mrs. E. A. Augustine, Mrs. Jack West, Mrs. James Apfel, Mrs. A. H. Dibern, Mrs. B. H. Ward, Mrs. John Farnet, Mrs. R. E. Goode, Mrs. Wolbach's sister, Mrs. F. D. Gardner, Mrs. G. Woodman, Mrs. Joe Lloyd of Spokane, Mrs. Walter Jones, Mrs. H. R. Boyer and sister Mrs. B. Newell, Mrs. Margaret Nelms, Mrs. W. R. Frampton, Mrs. Thomas Watt and Mrs. Frank Gorman of Arcadia and Mrs. Gorman's guest, Mrs. Harry Fowler of Chicago, Mrs. Glenn Eley and sister, Mrs. Richard Hopkins, of Van Nuys, Mrs. Jack Hearnshaw and Mrs. Charles Bartow.

Guests from Los Angeles were Mrs. Jack Paschall, Mrs. Charles Ranger, Mrs. H. P. Hubbard, Mrs. J. C. Hammond, Mrs. R. Castner and sister, Mrs. White, and Mrs. Charles Wilde. Mrs. Gardner and Mrs. Goode presided at one tea table and Mrs. Torrey and Mrs. Eckert at the other.

Number Of Moves Recorded By City

Among the many Glendale residents who are moving from one location to another, the following are recorded at the city's public service department:

J. S. Sankey, 195 North Maryland, Room 5 and 6, to 245 North Maryland; Mrs. G. Johnston, 157 South Central to 506 North Jackson; Mrs. Elizabeth Johnson, 1516 South Brand to Long Beach; Mrs. J. H. Gwinler, 1130 North Campbell to 1134 North Campbell.

Other residents requesting meters installed or service yesterday are: Tom Furst, 100 South Maryland; Mrs. J. A. Fisher, 915 South Brand; H. A. Harrison, 221 West Lomita; John Mattson, 1124 East Chestnut; W. H. Larson, 1206 South Maryland; Mrs. Edwin Mansfield, 612 North Columbus, and Mrs. R. E. Payn, 422 East Harvard.

Local Nine Defeated In Baseball Battle

In a practice baseball game played here last night between the Glendale and Pasadena High school teams, the home nine lost 3 to 2, although they are lining up in good shape for the Central League season, the first game of which will be played between Glendale and Franklin High March 18.

On Wednesday afternoon Glendale lost its second practice game to Los Angeles high by a 6 to 2 score. In yesterday's clash, Agasson, a new pitcher, held down the mound for the locals and pitched a 7-hit game, equalling the opposing twirler.

Coach Normal C. Hayhurst states that an entirely new infield is being used this year, but he holds high hopes of annexing the league pennant again.

An interclass track meet is being held this afternoon at 3:30 o'clock under Prof. Alfred Cookman's direction at the high school athletic field. The Central League field day is scheduled for March 19 at Alhambra. Glendale will have a 120-pound team entered as well as their heavyweights in the various events.

Girl Babies Are Popular This Week

Girls seem to be the popular kind of babies in Glendale this week, according to records on file with City Clerk J. C. Sherer.

A daughter was born to Mr. and Mrs. Albert E. Mills, 481 Vine street, February 19, at the Glendale Sanitarium and Hospital.

Lois LeFevre Parker is the name of the new arrival at the H. H. Parker home, 711 North Kenwood. She was born February 21.

Mr. and Mrs. Wilbur T. Love have named their daughter, who arrived February 20 at the Glendale Sanitarium and Hospital, Juanita Faye Love.

Mr. and Mrs. William Lawrence Ackerson, 143 1/2 North Glendale avenue, are also the parents of a daughter who arrived on the 19th.

Disabled Service Men To Be Guests

Mrs. Nina Brackney will entertain several of the disabled service men, who are hospitalized by the government at Thornycroft sanitarium here, at her home, 142 South Franklin Court, this evening. After a delicious home-cooked dinner, the boys will enjoy a theatre party.

ANNUAL BANQUET IS GIVEN BY CLASS

R. T. W. MEMBERS MEET AT
FIRST BAPTIST CHURCH
FOR CELEBRATION

ABOUT 75 PRESENT

MANY ORIGINAL GAMES AND
STUNTS ARE PROVIDED AS
EVENING'S PROGRAM

The R. T. W. class of the First Baptist church gave its annual dinner for the husbands of the members at the church last night. The decorations in the banquet room were patriotic and in keeping with the celebration of Washington's birthday. Many American flags were used, and the favors were small silk flags.

Partners for the dinner were found by means of numbers on little red hatchets which were handed the guests as they arrived. Covers were laid for seventy-five, and an old-fashioned chicken dinner was served, which was heartily enjoyed by all present. Preceding the dinner a lesson in table manners was given, each person being handed a verse on this subject. These were read, causing much merriment.

Committee in Charge

The committee in charge of the dinner was composed of the following ladies: Mrs. O. L. Howard, Mrs. Lee Childers and Mrs. A. Von Wormer, assisted by Mrs. P. L. Hatch, Mrs. Thos. Hosking and Mrs. Emma Sudlow. Those who assisted in serving were Mrs. Roy Kent, Mrs. Fred Abbey, Mrs. Roger Bentley and Mrs. W. L. Andrews, who were dressed in quaint Colonial costumes.

Mrs. Grover Adams and Mrs. Walter Stamps were in charge of the entertainment and provided many original games and stunts with which the guests were delightfully entertained until a late hour.

Special Guests Present

Besides the members of the class and their husbands, the following guests were present: Mrs. Jennie Duxsee, teacher of the class; Rev. and Mrs. E. E. Ford, Mr. and Mrs. Russell Coles of Huntington Park, Mr. and Mrs. Albert Marple of Saugus.

The next meeting of the R. T. W. class will be held Tuesday afternoon, March 1, at the home of Mrs. R. E. Olin of 400 North Isabel street.

IDEAL WEATHER

IT REGISTERED 80 YESTERDAY
AND MANY PEOPLE APPEAR
IN SUMMER CLOTHING

A little girl who recently arrived in Glendale rushed to her mother early this morning and said:

"Oh, mamma! Look! The mountains are in the front yard!"

"Yes, dearie, they do seem quite close today," and she then inquired of the people with whom she was staying the why of it all.

"Beautiful weather this February is the answer," they chorused. "The thermometer registered 80 degrees yesterday, there was no haze and the slight breeze which wafted in from the Pacific made the sunny day comfortable. Did you notice that when we motored by the Glendale Sanitarium there were dozens of patients enjoying the sunshine? Did you notice the business men about in their shirt sleeves and did you see the youngsters in their athletic suits scampering about the school playgrounds?"

And in the East—

"Yes, I did," replied the visitor, "and to think that the letter I received from the east yesterday told of the worst blizzard in years Sunday. Truly, you Californians are the favored few here in Glendale with your comfortable homes, and lawns, and flowers and climate."

She said it. It's unnecessary to tell it otherwise folks. We all know how pleasant it is here and if the writer doesn't quit hearing easterners brag about the weather, he'll get the spring fever.

And then he'll have to hike to the mountains, get into poison oak, scuff a pair of \$10 shoes, suffer sunburn and otherwise get disgusted with the whole idea and settle down for the summer.

Funeral Saturday For Helen Harmon

Helen Harmon passed away Wednesday, February 23, aged 55 years. She had been a resident of Glendale for many years and had a large circle of acquaintances. Deceased leaves a brother, Robert Hansen, of Chicago, Illinois. Funeral services will be held from the Little Church of the Flowers at Forest Lawn cemetery Saturday morning at 10:30, Jewel City Undertaking company in charge.

Locals And Personals

Mr. and Mrs. E. L. Osborn of 406
West Wilson avenue have as their
guest for the week-end Mrs. E. R.
Furstenfeld of Van Nuys.

Mrs. D. B. Edwards of 521 East
Acacia avenue had as her guests yester-
day her mother and sister, Mrs.
C. Wiley and Miss Genevieve Wiley,
of Pasadena.

Burt Van Osdoll of Exeter, Cali-
fornia, paid his parents, Mr. and Mrs.
W. L. Van Osdoll of 341 West Elk
avenue, a surprise visit last evening.
He will be here several days on busi-
ness.

Mrs. G. W. Evans, Mrs. E. W.
Evans and her mother-in-law, Mrs.
A. H. Evans, who is visiting her from
Covington, Kentucky, were the
Luncheon guests today of Mrs. A. C.
Formoe of 1119 East Elk avenue.

Mrs. E. J. Morgan of 1125 South
Central avenue has as her guests her
niece, Mrs. Daphne Bunnell, of Lyme,
Connecticut, and Mrs. Bunnell's cousin,
Miss Graves of Boston, who will
probably be here several months.

Mr. and Mrs. F. M. Peckham of
239 North Central avenue entertain-
ed at dinner last night, Mr. and Mrs.
Heustis of Boston, who are spending
the winter in California, and Mrs.
Peckham's parents, Mr. and Mrs. W.
C. Rich.

Mr. and Mrs. T. J. Keleher and
children, Geraldine and Virginia, of
528 North Louise street, returned
yesterday from a several days' trip
to San Bernardino and vicinity. They
witnessed the Orange Show and also
visited in Ontario.

Mrs. T. J. Morgan of 1142 Camp-
bell street and Mrs. G. E. Clayton
of 200 South Orange street enter-
tained seven of the ex-service men
from Thornycroft yesterday. In the
morning they were taken on a motor
trip, with lunch at noon at the home
of Mrs. Morgan. The afternoon was
spent in singing, dancing and music.

Mr. and Mrs. John Hyde Braly of
505 North Brand boulevard and Mrs.
Braly's sister, Mrs. M. C. Wells, of
Minneapolis, who is spending the
winter with her, motored to San Ber-
nardino Tuesday and attended the
Orange Show. This was the first
time Mrs. Wells had ever been to
anything of this kind and she was
quite delighted over it.

The Milford Street Card club was
entertained at luncheon and cards
yesterday by Mrs. Brummell of Sun-
land. Those present were Mrs. L.
C. Leppelman, Mrs. J. H. Southard,
Mrs. C. H. Thompson, Mrs. R. Vin-
ton of Los Angeles, Mrs. H. A. Mc-
Pherson, Mrs. W. N. Rathbun, Mrs.
H. G. Hostford, Mrs. H. B. Fletcher,
Mrs. Reed Heustis, Mrs. Strain and
Mrs. Hellyer.

Mrs. A. D. Cross and Mrs. Eva J.
Cunningham of 114 North Orange
street entertained the members of
the reciprocity bureau of Glendale
P. E. O. chapters at luncheon yester-
day at the home of Mrs. Cunningham.
The guests were Mrs. Warren Rob-
erts and Mrs. H. E. Bartlett of Chap-
ter L, Mrs. Watters and Mrs. Web-
ster of Chapter A. H., and the host-
esses, Mrs. Cross and Mrs. Cunning-
ham, of Chapter B. A.

Mrs. Frank W. H. Dow of 1223
East Lexington Drive entertained at
luncheon yesterday in honor of Mrs.
Francis of San Francisco, who is the
house guest of Mrs. Sallie Campbell
Braden. The invited guests were
Mrs. Francis, Mrs. Braden, Mrs. J. G.
Huntley, Mrs. Seymour Smith, Mrs.
F. S. Balthis, Mrs. J. T. Fitzgerald
of Los Angeles, Mrs. Duthie of Iowa,
Mrs. L. W. Sinclair and Miss Lily
Fielding. Decorations of Ragged
Robin roses and poinsettias were
used. A social afternoon was en-
joyed.

Mr. and Mrs. Fred A. Townor of
Muskegon, Michigan, arrived at the
home of Mrs. Townor's mother, Mrs.
Emma Lund of 412 Oak street yester-
day. This is their first visit to
California. Although they have
been here only twenty-four hours,
they declare they are overwhelmed
with the beauty and climate of Glen-
dale. Both have expressed strong
determination that after their two-
months' visit here they will return to
Muskegon and hope to return to
southern California permanently.

Mrs. P. V. Potter of 446 West
Broadway entertained the Pioneer
Thimble club at luncheon Wednes-
day. The members present were
Mesdames J. Andree, I. D. Vinton, H.
Whitaker, R. E. Frey, S. R. Frazee,
C. Challis, H. A. Bullinger, C. M.
Van Dyke, A. R. Chappell and A.
Briggs. Mrs. Frank Parr was the
special guest. Spring flowers were
used for table decorations. The
afternoon was spent in needlework,
music and social intercourse. The
next meeting will be held March 9
at the home of Mrs. R. E. Frey.

Inbound Pacific Electric traffic
was tied up this morning and had to
use the Los Angeles outbound track
because the "Burbank Limited," a
lone car which goes through Glen-
dale about 7:30 a. m., went through
the "derrail switch" at Glendale tower
at the Southern Pacific crossing
south of the San Fernando Road.
The car was No. 547. It took the
larger part of the forenoon to get it
back on the track and everything
running smoothly. The tie-up caused
hundreds of people employed in
Los Angeles to be late for 9 o'clock
work.

CITY TRUSTEES

OFFICIAL PROCEEDINGS OF THE BOARD AS TAKEN FROM MINUTES OF CLERK

(Continued from Page One)

automobiles owned by the city. The
letter was accompanied by a bill in
the amount of \$102.80 additional
coverage on all of the cars previously
covered, raising the total liability as-
sumed by the company to the limit
of \$10,000 and \$20,000, on each car.
On motion of Trustee Robinson, it
was ordered that the additional cov-
erage be accepted, by roll call vote,
all voting aye.

Goat Ordinance Wanted

A petition was presented to the
board signed by property owners in
the neighborhood of East Chestnut
street, Lomita avenue and Maple
street, requesting that the trustees
adopt an ordinance regulating the
keeping of goats within the city limits.
Referred to city attorney.

Permit Asked to Use Dynamite

Mrs. J. Cullingworth requested
permission to have dynamite used in
disposing of tree stumps at her place
on Mariposa avenue. On motion of
Trustee Henry the permit was granted,
the work to be done under the
supervision of the city marshal.

From Bonding Company

A letter was read from the Fidelity
and Deposit Company of Mary-
land referring to contract entered
into between the city of Glendale and
the Los Angeles Manufacturing com-
pany for installation of a pipe line on
Glendale avenue, advising the trust-
ees that the company consents to the
payment by the city of Glendale to
the Los Angeles Manufacturing com-
pany of 25 per cent of the amount
of the contract in advance by which
payment the city receives discount of
2 per cent. The city attorney stated
that as far as the liability is concerned
the letter is satisfactory.

Reports

Reports for the month of January
were presented from the building de-
partment and the street department.
Report of the building department
showed receipts from permits
amounting to \$745.70 for building,
plumbing and electrical permits. The
value of buildings for which permits
were issued was \$143,963. The street
department reported receipt of fees
amounting to \$20.50.

City Manager Reports

The city manager recommended
that the clerk be instructed to ad-
vertise for bids to furnish the city one
4-cylinder, 2-passenger automobile,
and one 2-cylinder motorcycle; bids
to be received March 17, 1921. On
motion of Trustee Henry (recommen-
dation was approved).

Extra Lighting for Field

The city manager recommended
that the request of Capt. Thomas D.
Watson of the National Guard for
the illumination of the high school
athletic field on Tuesday and Thurs-
day evenings, to be used for drilling
purposes, be approved and an extra
expenditure of \$50 authorized to be
made in connection with the same.
On motion of Trustee Henry same
was approved by roll call vote, all
voting aye. (Trustee Stephenson be-
lieving temporarily absent Trustee Bar-
lett in the chair.)

Repairs to Sidewalk

The city manager requested au-
thority to have repairs made on side-
walks and curbs in the city where a
small amount of expense is involved
and estimated cost of the same is
paid in advance. On motion of Trust-
ee Robinson it was so ordered.

Opening of Garfield Avenue

The city manager in a communica-
tion to the board stated that in re-
gard to the extension of Garfield ave-
nue, from Mariposa to Acacia ave-
nues, a thirty-foot strip along the
north line of Acacia avenue school
property would be acquired for street
purposes and that the school authori-
ties are willing to deed the necessary
land to the city, the school grounds
to be exempted from assessment for
improvements. On motion of Trust-
ee Henry, it was ordered that deed
be accepted.

Improvement of Oak Street

The city manager recommended
that in regard to the improvement
of Oak street, action be postponed
until such time as the matter of lay-
ing water main thereon may be pro-
vided for, and that it in the mean-
time the property owners will sub-
scribe a sufficient amount to pay for
cost of oiling the roadway, the city
regrade the roadway and apply the
oil, and in addition to that, the prop-
erty owners pay for sufficient amount
of screenings to surface the road-
way; that the city will apply the
screenings and do the necessary work
in connection therewith. The total
estimated cost of the oil to be about
\$1706, the cost of screenings, \$253,
representing the total cost for every
fifty foot lot of \$14.25 for oil and
\$2.53 for screenings. On motion of
Trustee Bartlett, the city manager
was directed to take the matter up
with the property owners of Oak
street and also take a similar action
in reference to Elk avenue.

Demands

The demands were presented, re-
ferred to the finance committee and
approved by that committee and on
motion of Trustee Robinson, warrants
ordered to be issued in payment of
the same, by roll call vote, all voting
aye.

Maps Approved

On motion of Trustee Henry, Res-
olution No. 1164 was adopted, ac-
cepting and adopting map of tract
No. 4044 and tract No. 4091, by roll
call vote, all voting aye.
On motion of Trustee Robinson,

resolution No. 1165 was adopted,
adopting map of tract No. 4121.

To Widen Los Feliz Road
Trustee Robinson presented an or-
dinance ordering the widening of Los
Feliz Road which was read and laid
over for one week.

Ordinance Widening Alley
On motion of Trustee Bartlett, an
ordinance previously presented to the
board, ordering the widening of a
certain portion of the alley east of
Brand boulevard between Harvard
and Colorado streets, was adopted as
ordinance No. 425, by roll call vote,
all voting aye.

Ordinance Establishing Grade
On motion of Trustee Robinson,
ordinance previously presented to the
board, establishing the grade of a
portion of Brand boulevard was
adopted as ordinance No. 426, by roll
call vote, all voting aye.

Ordinance Establishing Grade
On motion of Trustee Lapham, an
ordinance previously presented to the
board declaring intention to change
and re-establish the grade of a por-
tion of Brand boulevard was adopted
as ordinance No. 427, by roll call
vote, all voting aye.

Calling Bond Election
On motion of Trustee Bartlett an
ordinance previously presented to the
board providing for a bond election
on March 29, 1921, was adopted as
ordinance No. 428, by roll call vote,
all voting aye.

Payment to Los Angeles Mfg. Co.
A motion made by Trustee Henry
was adopted authorizing payment to
be made to Los Angeles Manufactur-
ing company of an advance of 25 per
cent less 2 per cent discount of its
contract with the city for laying wa-
ter pipe on Glendale avenue, by roll
call vote, all voting aye.

Correction of Minutes

The following resolution made by
Trustee Robinson was adopted:

"Whereas, It appears that at the
meeting of this board held February
10, 1921, the city clerk was instructed
to advertise for bids to be opened
at 8 o'clock p. m., March 3, 1921, for
testing wells 3 and 4 and for erect-
ing one deep well pump and motor
and erecting pump house and derrick
and installing the electrical and hy-
draulic connections for such pump-
ing and motor, but said instructions
were not entered in full in the min-
utes, which refer only to the testing
of said wells, now therefore be it
resolved that the minutes of said
meeting of this board held February
10, 1921, as entered on page 485 of
minute book No. 8 of this board are
hereby corrected by adding to the in-
structions to the clerk to advertise
for bids as appearing therein, all the
above mentioned matters which are
not now entered therein and the clerk
is hereby directed to enter on the
margin of said minutes a reference to
the entry of this resolution, which
shall be deemed a sufficient entry
of said correction."

Referred to City Manager

On motion of Trustee Henry a com-
munication of Mr. Offutt previously
presented to the board and referred
to the city attorney, was re-referred
to the city manager.

Construction of Tent Houses

On motion of Trustee Henry the
city attorney was instructed to report
to the board at its next meeting as to
what are the powers of the municip-
ality relating to construction of tent
houses.

Closing of Alley

An application of George Hannah,
owner of block 10 and block 15, Sel-
vas de Vergado, for vacation of a
portion of Barbara Drive, was re-
ferred to the city engineer for a re-
port on frontage.

Election Returns Canvassed

The board took up the business of
canvassing the returns of the annexa-
tion election of February 19, 1921;
the chairman appointing Trustees
Lapham and Robinson as tellers. The
report of the tellers was embodied in
a resolution which was, on motion of
Trustee Henry, adopted as resolution
No. 1166, declaring the result of a
special election held in the North
Glendale district, by roll call vote,
all voting aye. Said resolution
stated that thirty-six votes were cast
in favor of the proposition and sev-
enty-six against it.

Water and Light Extensions

A motion of Trustee Henry was
adopted on roll call, all voting aye,
as follows: "Whereas, The city of
Glendale is the owner of a water sys-
tem and an electric light system,
which systems were acquired and are
operated primarily for the purpose
of supplying water and electricity to
the inhabitants of said city of Glen-
dale, and
"Whereas, In acquiring said sys-
tems the city necessarily acquired as
a part thereof certain water mains
and electric lines situated outside of
the city limits and is now supplying
water and electricity therefrom to
persons situated in territory outside
the city limits, and
"Whereas, The increasing demands
for the use of water and electricity
and for extensions of the public util-
ity systems of the city inside of the
city limits, are overtaxing the means
and resources of the city to comply
therewith and the electors of this
city have already voted large amounts
of bonds for said systems and are now
being asked to vote additional bonds
for extension of the water system,
while property outside of the city is
not subject to taxation for said bonds,
nor does it help to increase the bond-
ing capacity of the city, all of which
bonding capacity will probably be
needed in the near future to take care
of needed improvements.

"Now, Therefore, be it resolved by
the board of trustees of the city of
Glendale that hereafter no exten-
sions of the water or electric systems
of the city of Glendale shall be made

LIST OF BOOKS

NUMBER OF NEW VOLUMES ARE ISSUED THIS WEEK AT GLENDALE LIBRARY

Following is a list of new books
issued at the Glendale public library
since last week:

Harper's School Classics, "Life of
Charlemagne," by Eginhard.
"Astronomy with the Naked Eye,"
by Garrett P. Serviss.

Lippincott's Home Manuals, "The
Business of the Household," by C. W.
Taber.

"Points of Friction," by Agnes
Repplier, a book of ten essays.

"The Poetical Works of Edgar
Allen Poe," with illustrations by Ed-
mund Dunlap.

"Affinities, and Other Stories," by
Mary Roberts Rinehart.

In Hearts of Men and Women
With the wisdom and humor which
have made her widely beloved, Mrs.
Rinehart presents the diversified
stories just for what they are—
glimpses into the hearts of men and
women.

"The Eternal Feminine," mono-
logues full of fun, mystery, and
good-natured satire," by May Isabel
Fisk.

"A Kiss for Cinderella," by J. M.
Barrie.

"All-Wool Morrison," by Holman
Day. A story that, like its hero, is
"all wool and a yard wide."

"Prairie Flowers," by James B.
Hendryx. A wild tale of an untamed
west.

Proves Sprightly Adventure

"Hide and Seek," by Christopher
Morley. This volume of verse holds
a surprise for Christopher Morley's
many admirers. It shows him not
only in his familiar and loved moods,
but in some distinctly new ones.
"Hide and Seek" will prove a
sprightly adventure for every kind of
reader.

"Chicago Poems," by Carl Sand-
burg. It is with high explosives that
Carl Sandburg blasts from the mass
of Chicago life these autochthonous
masks and figures of modern circum-
stance. His book is sound, daring,
inclusive of many types in the city
and makes a contribution to Ameri-
can literature of emancipating im-
portance either in itself or in its effect.

"Navigation," by Harold Jacoby.
"Simplified Scientific Astrology,"
by Max Heindel.

A complete text book on the art of
erecting a horoscope with philosophic
encyclopedias and tables of planetary
hours.

Fine Spring Apparel Displayed By Hatz's

These warm days turn feminine
thoughts to dainty spring wearing
apparel and their steps toward
Hatz's, the woman's specialty store,
where are displayed the very latest
things that fashion dictates for wo-
men's wear, from the filmiest of un-
derwear and hose to the latest and
most fashionable suits, coats and
dresses. New things are coming in
every day and they are so pretty and
dainty and they so reflect the spring
season that it's a delight just to look
at them. New things for spring will
be coming in every day until Easter.
Mr. Hatz stated this morning.

Women are turning more and more
from the big department stores and
buying their wearing apparel from
the specialty stores where their in-
dividual wants are given special at-
tention. The women of Glendale are
apparently showing their apprecia-
tion of having such large stocks to
choose from. Mr. Hatz is announc-
ing the arrival of spring clothing in
this issue.

in territory outside of the city limits
or for the purpose of supplying con-
sumers situated outside of the city
limits and that hereafter no consum-
ers situated outside of the city limits
of the city of Glendale, shall be
supplied by said city with water or
electricity except in cases where said
city has already assumed a legal ob-
ligation therefor."

Observes Anniversary

The Rt. Rev. Joseph H. Johnson, D. D., S. T. D., bishop of the diocese of Los Angeles, yesterday celebrated the twenty-fifth anniversary of his consecration at St. Matthias church, the Rt. Rev. W. Bertrand Stevens, D. D., being the celebrant at Holy Communion, assisted by the Rev. Irving Spender, rector. Many communicants of the diocese were present, including several Glendale Episcopals.

Provides Covering

Assemblyman Frank F. Merriam of Long Beach has the baldest head in the state legislature.

He won't have it much longer, that is, the baldness. For yesterday Franklin Heck, a colleague, succeeded in having a resolution adopted which will provide Merriam with a toupee and the sergeant-at-arms is instructed to see that he wears it.

Not in Politics

Positive announcement has been made by the Pasadena Chamber of Commerce that it doesn't propose to enter politics. Quickly following that decision, a luncheon to be held tomorrow at which a city campaign was to be discussed was called off.

Here's Your Chance

Well, folks, if you want to send anything to the Fiji Islands, the navy department has announced the bureau of naval communications will handle commercial traffic to Suva, Levuka, Ba, Lauvaka, Navua, Nausori, Labasa, Sayasau and Taveuni. Put be careful you get the addresses right before you deliver your goods to Los Angeles harbor.

Women Burglars

Long Beach, too, has its women burglars. The police of that city believe that places to be robbed are designated by black crosses by girls who gain entrance to the home on some innocent quest, such as searching for rooms, then locate the valuables and mark the house for their more daring confederates.

Try to Hide Auto

In the eucalyptus groves of Edendale another crime has been unearthed and Ernest C. Huseman and Joe Chappet are held by the Los Angeles police for the alleged theft of an automobile which, it is said, they were trying to hide in the woods.

H. H. MATHIESEN CONDUCTING
SERIES OF TALKS BEHALF
OF SAFETY MEASURES

H. H. Mathiesen, safety engineer, who is well-known in Glendale, as two of his brothers reside here, is conducting a series of illustrated lectures throughout the state in the interest of modern safety measures.

Mr. Mathiesen is to be the principal speaker tonight at a meeting of the Los Angeles chapter, American Association of Engineers, at the auditorium of the Union League club. "Accident Prevention and Safety" is his subject. He is a member of the National Safety Council and a graduate of the University of California.

GUARDS TO DRILL

CITY GRANTS REQUEST THAT
MATERIALS BE PURCHASED
TO ILLUMINATE FIELD

The Glendale company of the National Guards, of which Thomas D. Watson is captain, will be able to hold drills on the local high school athletic field on Tuesday and Thursday nights, for the Board of City Trustees, in session last night, authorized the expenditure of \$50 for materials that the grounds might be illuminated.

The motion authorizing the expenditure was made by Trustee Robinson, following the reading of the following communication from T. W. Watson, city manager:

"Captain Thomas D. Watson of the National Guards has requested that the high school athletic field be illuminated Tuesday and Thursday evenings so that the field may be used on those occasions for drilling. In order that this may be done an expenditure of \$50.00 will be required for globes and protectors therefor. The other equipment is already in place.

"We would respectfully recommend that this request be granted and an appropriation of \$50 from the advertising and promotion account be made to cover the cost of installation."

TWENTY-SIX DEAD

DEATH TOLL OF AIR POSTOFFICE
SERVICE IS REPORTED UPON
BY SUPERINTENDENT

WASHINGTON—Twenty-six men have been killed in the air mail service since it was inaugurated in May, 1918. Superintendent Staunton announced today. During the same period the postal planes have covered 1,600,000 miles.

The list of fatalities included eighteen pilots, six mechanics, two of whom were killed on the ground, one division superintendent and one clerk who met death during an unauthorized joyride.

Of the pilots, two were killed when making solo demonstrating flights in trying out for the service. One pilot was killed when he jumped from the plane in the air because he thought the machine on fire.

Trying to Reduce Accidents
"We are testing planes continually to reduce the number of accidents and deaths," said Staunton.

GLENDALE INTERMEDIATE TEAM
TRIMS PASADENA'S SQUAD
AT BASKETBALL

Athletics is one of the activities at the Intermediate school on Wilson avenue which interests practically all of the youngsters in attendance. The teachers, too, are enthusiastic at the games as evidenced Wednesday when a picked team met the Pasadena Military school quintet at basketball on the Intermediate court.

Inasmuch the Glendale youngsters were beaten the week before, they evened the score with Pasadena by winning 25 to 13. N. R. Whytock, one of the teachers, coached the team.

Albert Blanford, who has charge of the physical instruction in the public schools here, is presently arranging for a track meet and if you see the boys jumping fences, using the garden rake for a pole vault or "putting" a small boulder, you will know that they are secretly developing the prowess necessary to win the blue ribbons at the coming field day.

Representatives of the fish and fruit canning industry are urging higher custom duties on competing imports than were ever fixed in the past.

A Pleasing Prospect

A woman who spends much of her time at home should have a pleasing view from her windows. If her home is surrounded by a velvety, green lawn; if there are trees and shrubs and hedges arranged with an eye to harmony in form and coloring; if she can glimpse arbors covered with vines, a rose garden and other flowers the effect will be most restful.

ADDITIONAL ROOM

JEWEL ELECTRICAL COMPANY
INCREASES ITS SPACE;
OPENING SATURDAY

Expansion seems to be the word in all lines of business in Glendale. J. H. Wittmeyer, of the Jewel Electric company, is the latest to feel the demands of increasing patronage and make plans to better serve his trade.

Mr. Wittmeyer opened the Jewel Electric shop a few years ago at 202 East Broadway and soon began to find himself seriously handicapped by lack of room to display his stock. Recently he arranged to lease the room just adjoining his place of business on the south, vacated a few weeks ago by the Bentley-Schoeneman Lumber company. This gives him a corner location and much additional window display space as well as floor space. The two rooms have been thrown together and considerable changing and remodeling done to meet the needs of a growing electrical shop.

Large Displays Are Made
In the north room is shown a large line of electrical fixtures while the adjoining room is to be used exclusively for the display and demonstration of electric appliances of every kind. For instance, the Jewel Electric company carries six makes of electric washers. There is now space for all of these on the floor and the good points of each may be demonstrated in comparison with the others. In one corner of this room a model laundry has been arranged, featuring electrical washer, wringer and ironing machine.

Mr. Wittmeyer's office, workroom and stockroom are in the rear of the display rooms.

In addition to all the wanted fixtures and appliances this shop makes quite a specialty of electric wiring. No doubt Mr. Wittmeyer's patrons will show their appreciation of his enterprise by being present at his expansion opening on Saturday.

STREET REPAIRS

TEMPORARY IMPROVEMENTS TO BE MADE ON OAK AND ELK IF PLAN AGREEABLE

(Continued from Page One)
council room to discuss with interested parties the improvement of Oak street and several other streets mentioned in the call for the meeting.
"There were present at this meeting about thirty residents and property holders of Oak street as well as a number of other representatives of other streets. Of these thirty about twenty-five voted in favor of proceeding with the improvement of Oak street in accordance with petition now on file with your board and they were informed that if opposition to this plan did not develop no doubt your board would proceed with the improvement as petitioned for.

Want Water Main

"In view of the fact that a meeting of those interested in the improvement of Oak street has been held subsequently and that this meeting has requested your board to hold in abeyance the ordering of this improvement until such time as a four-inch water main might be laid to replace the present two-inch main, we would respectfully suggest the following for your consideration:

"That the improvement of Oak street be postponed until such time as the matter of laying water mains therein may be provided for and that in the meantime if the property holders will subscribe a sufficient amount to pay for the cost of oiling the roadway that the city will regrade the roadway and apply the oil and if the property holders desire in addition to that to pay for sufficient amount of screenings to surface the roadway that the city will apply the screenings and do all necessary work in connection therewith.

"This is a policy that of course could not be adopted generally, but inasmuch as this street is in very bad condition and needs attention at once and that it would be inadvisable to proceed with the pavement without first providing for the laying of the water pipes, it would seem that the city would be justified in this instance in co-operating with the property holders to the extent suggested herein.

"The total cost of the oil as suggested would be \$1706 and the total cost of screenings would be \$253. This would represent a cost to each fifty-foot lot fronting on the street of \$14.25 for oil and \$2.53 for screenings or a total of \$16.78 for each fifty-foot lot."

GLENDAL E'S CITY ATTORNEY
MAKES ADDRESS BEFORE
STATE CONVENTION

Hartley Shaw, city attorney for Glendale, has returned from an important gathering of supervisors representing the various counties in the state, held this week at Visalia.

Attorney Shaw was invited by the state organization of supervisors to make an address before the convention, and he spoke interestingly and instructively on the subject of roads and roads' financing.

Attending the meeting were county officials from the northern, southern and central sections of the state and a number of important matters relating to county governmental departments were under discussion. The address by Attorney Shaw proved of unusual interest to the convention delegates.

ORANGE BRAND Seasonal Hints

THE PAY STREAK

In the poultry business is Eggs.
High averages per hen for the year.

WHY FAIL TO GET EGGS?

The poultryman who sees to it that his hens are properly fed is laying a solid foundation that will carry the flock through the moult and the period of low vigor and few eggs in double quick time. How about the calories or heat units in their mash? The available energy of the food measures its value for production to the hen. The hen is an honest manufacturer. She requires a certain amount of bodily repair, but her largest daily demand is for fuel. If she is shorted in any of the elements needed and compelled to exhaust her service—be certain, she will demand full time to rebuild her system.

ORANGE BRAND EGG MASH

Contemplates and supplies all of the elements in the most available form to maintain the highest possible vigor and production. Poultrymen everywhere are proving this fact.

ORANGE BRAND SEMI-SOLID BUTTERMILK

Pure creamy buttermilk reduced about twenty times. Just the water removed for commercial convenience and no foreign acids, substances or preservatives added. We strongly advise the use of Orange Brand Semi-Solid Buttermilk as a part of the daily ration. There is an Orange Brand Feed for every need.

PROFESSOR HENRY BROCKWAY
PREPARING MATERIAL FOR
DR. H. R. HARROWER

Professor Henry E. Brockway has recently joined the research staff at Dr. Henry R. Harrower's laboratories here. He is a translator of six languages, having toured Europe and South America in the course of his life. He is preparing materials for medical journals in foreign countries, as well as making a digest of their contents for Dr. Harrower.

In connection with the installation of a translation department at the laboratories, it is interesting to note that this healthy Glendale industry was established just three years ago this coming March. Then there were four people employed. Now there are sixty-nine in the home offices and plant. In addition to this number there are ten employees of branch offices and a branch manager for New York and surrounding states.

\$3000 in Postage Monthly
To show the extent of the laboratories' business, it is stated that approximately \$3000 in postage is purchased monthly from the Glendale office.

As related in yesterday's edition of The Glendale Evening News the great amount of mail necessitates the use of a motor truck, many thousands of postal cards, letters and packages being dispatched almost daily.

Prisoners Of Love At Palace Grand

"Prisoners of Love," the feature film presented today for the last times at the Palace Grand theatre deals with the dangers that confront a girl possessed of exceptional physical beauty. Such a girl is Blanche Davis, (Betty Compson) whose irresistible charm attracts to her many over ardent admirers. Blanche and her millionaire father, Wesley Davis, clash when she discovers him trying to buy the silence of an unscrupulous woman and she leaves home.

In San Francisco she obtains employment in the law offices of Martin Blair and James Randolph. Both fall in love with her. Following a breakdown, Wesley Davis takes a trip to San Francisco, accompanied by his younger daughter, Clara. In a restaurant they meet Blair and Randolph. The latter, quite unaware of the fact that Clara is Blanche's sister, falls in love with her.

From this point the story carries through situations of rare dramatic intensity. How Blanche Davis receives the terrible truth that her faithless admirer is to marry her own sister and the remarkable sequence of trials and punishments makes a great picture.

The overture, "Norma," by Jensen's Palace Grand orchestra proved pleasing yesterday and it will be repeated at today's performances. "My Mammy's Arms," was a highly appreciated popular selection. A news weekly and comedy are also shown.

Aids Local People In Arranging Taxes

Scores of Glendale people are being accommodated in making their income tax returns by George W. Heidt, a representative of the internal revenue collector's office, who may be found in the city council chambers this afternoon and tomorrow.

Besides giving expert advice, Mr. Heidt, through his work in different San Fernando valley points, has learned that the large majority of

people are able to make out their reports themselves if they have filed returns in previous years.

Again, he finds quite a number of the agriculturists in the valley this year not having sufficient income to require a report this year. However, the majority have had their incomes assessed and he expects to find them in the ranks of the prosperous when he comes around next year.

A slump in excess profits taxes was chiefly responsible for a slump of \$300,000,000 in the federal taxes collected during the first six months of 1920.

Adventist Choir To Be Heard In Songs

The choir of the Seventh-day Adventist church, assisted by the Long Beach Choral society, will give a cantata, "The Pilgrims of 1620," next Sunday night, 7:45 o'clock, in the church building, corner Isabel and California. Other numbers will also be given, making a very enjoyable musical program, to which the public is invited. This program was successfully given at the auditorium in Long Beach last Tuesday night.

As a result of discovery of the underlying cause of "root rot" by the United States Department of Agriculture, corn crops may be increased 10 per cent.

Colorado Folk To Hold Big Reunion

All the Colorado folk will be expected at the mammoth picnic reunion and state society rally, Saturday, February 26, in Sycamore Grove park, Los Angeles. It will be an all-day gathering with basket dinners at noon. Hot coffee will be supplied for all who buy the souvenir badges. The county headquarters will be open all day with registers at each.

The program will open at 2 o'clock and there will be lots of music and oratory. President C. Robert Weber and Mrs. Gertrude Hubbard are in charge of all the details and he will preside.

RUSSIAN BOLSHEVICS MASS IN
EASTERN SIBERIA; JAPANESE
OBJECT OF ATTACK

HARBIN, Manchuria — Military operations by the Russian Bolsheviks against Japanese forces in Siberia are believed to be foreshadowed by concentrations of soviet troops in the eastern end of the country. There were 50,000 Bolshevik soldiers in Chita recently, and more are said to be arriving. Units are declared to be proceeding to points farther east, assembling principally along the Manchurian frontier. While badly clothed and fed, these soldiers are reported to be well armed and under severe discipline.

Eighteen thousand troops have arrived at Verkhne Uinsk from Moscow. At Khabarovsk, on the Amur river, about 40,000 Bolshevik troops are concentrated and these are gradually being moved south. The official reason given by the Bolsheviks for dispatching troops to Khabarovsk is that there are largely supplies of grain there, sufficient to maintain the troops for a year. On the other hand, reports from there indicate that the supplies available are sufficient for about a month.

To Increase Forces

To increase the regular and guerrilla forces, the Bolshevik authorities are said to be mobilizing the population of the Russian Far East. This would have the double purpose of increasing the military forces and of disintegrating anti-Bolshevik armies. Mobilization is meeting with some opposition from the people, it is said.

Troops are distributed along the whole line of railway from Chita east to the Manchurian frontier. At Manchuria on the border, Bolshevik organizations have been formed and are asserted to be smuggling agents into Manchuria for propaganda. Activity is noticeable in the movement of locomotives and cars from the Ussuri Railway to the Amur Railway which forms the connecting link with Trans-Balkia through Russian territory.

Food Supplies Moved

Food supplies are being moved by rail from Vladivostok into the Primorsk province and attempts have been made to smuggle arms into the regions.

The Bolsheviks fear, according to information received here that the Japanese may create an opposition "buffer state" in the Primorsk region by spring, in which event they might make use of the Kappel and Semenov troops whose long experience in guerrilla warfare would be extremely valuable.

The appointment of the Japanese general, Tachibana, to command troops in Siberia is commented upon as significant.

BOND TOO BIG TO HANDLE

JACKSONVILLE, Fla.—A regretful note accompanied a \$25,000 Liberty bond, returned through the mails to the Clement D. Cates company, stock broker, from which it had been stolen.

"It's too big to handle safely," the robber said.

He kept two smaller stolen bonds.

Reduction Reported In Clothing Prices

NEW YORK—Out of town buyers here to place orders for fall clothing for men found prices ranging 20 to 40 per cent lower than last year. These were the prices the buyers found:

Hats, 25 to 40 per cent lower.
Collars, 20 per cent lower.
Scarfs, 20 to 55 per cent lower.
Suits, 15 to 45 per cent lower.
Hose, 20 to 50 per cent lower.
Shoes, 10 to 55 per cent lower.
Buyers from all sections of the country flocked here in something like the numbers of the prosperity period. Except in a few semi-luxury lines like silk hose and neckwear, the buying was reported heavy.

According to official figures, in 1921 Germany must import 3,000,000 tons of grain, 1,500,000 tons of fodder, 1,000,000 tons of raw material for manufacture of oleomargarine and 150,000 tons of meat and bacon.

COUNCIL BARS JAZZ DANCE

SYRACUSE—The common council has unanimously adopted an ordinance prohibiting all forms of the so-called jazz dance in hotels and public dance halls, ordering all such places to close at midnight, and forbidding any person under sixteen years of age to attend or participate in what the guardians of municipal morals believed to be unholy practices. Should a policeman suspect that anything but the feet are used in dancing, he is empowered to order the doors closed and the patrons ejected.

MILL OWNERS FAVOR PLAN

HAVANA—Seventy per cent of the sugar-mill owners of Cuba have signified their adhesion to the plans of the sugar financial commission charged with marketing the island's sugar crop, according to the department of agriculture.

Co-operative work among North Carolina farmers is said to have saved the growers \$75,000 to \$100,000 on their potato crop.

British steel makers have adopted drastic cuts in prices. Foreign competition is said to be largely responsible.

TRAVELING ABROAD

TOTAL OF 164,354 PASSPORTS IN
1920, IS REPORT MADE BY
DEPARTMENT OF STATE

WASHINGTON—The department of state issued, during the calendar year 1920, 164,354 passports to American citizens. Assuming that all these persons were resident in the United States, it would indicate that only one American in 638 traveled abroad during the year. It may be of interest to place this figure beside the records of the San Francisco passport agency of the department, which show that one person in every 160 living around San Francisco had made application for a passport within the same period.

Since August 3, 1918, when the department opened its agency in San Francisco, to January 31, 1921, upwards of 10,500 individuals have been assisted in filing their papers, and advice has been given in approximately 500 cases per annum where application has been made before the clerk of a competent court in adjacent territory, and even to inquirers as far away as Oregon, Colorado and New Mexico.

Other Service Received

In addition to those filing applications, more than 4000 have received other service in the way of extension of life of a passport or amendment to include countries other than those originally contemplated.

The San Francisco agency was authorized in July, 1920, to recommend by telegraph the issuance of a passport to citizenship and convinced of the necessity of early departure. This procedure has been applied, up to January 31, last, to the cases of 197 persons (ninety-six of them business men) who would, by delay, have suffered financial loss or mental distress.

Calls for Assistance

Passports granted under this arrangement, as well as upon telegraphic instruction previously to its inception, have totaled over 600.

During the fiscal year 1918-1919, business of some kind was the reason for 61 1/2 per cent of the applications filed in San Francisco, and in the fiscal year 1919-1920, 30 per cent.

The agency is called upon from time to time for assistance and advice, upon various matters relating to the department's practice and the scope of its work both at home and abroad.

TWO PESTS WITH ONE NAME

WASHINGTON—The flea-beetle, recognized as almost as inimical to the grape industry as the "dry" law, was branded with new crimes today when agriculture department entomologists charged him with being two pests under one name. What was believed heretofore a "second brood" of "Altica Chalybea III," therefore, has been named "Altica Woodsi," a new species.

PORTABLE JAIL THE LATEST

KANSAS CITY—Strange, house-like objects soon may be seen lumbering along Jackson county roads.

The county court has decided to ask state prison officials for six portable jails which will allow prison gangs to work on county highways, when the weather is good. Each jail would house six prisoners with an area sufficient to allow "elbow room" for swinging picks and shovels.

The county jail has become a popular lodging place of late, officials explained, and prisoners ought to earn their "keeps."

EDISON WEAK ON THEOLOGY

SEATTLE — While admitting Thomas A. Edison is a wizard in invention, Rev. R. A. RUSS PROPAGANDA

PLOT TO WRECK DISCIPLINE
OF EVERY ARMY IN WORLD,
CHARGE OF OFFICIAL

WASHINGTON—The Russian soviet government has instituted a worldwide system of propaganda designed to wreck the discipline of all armies in the world, including America's, according to Brigadier General N. E. Nolan, head of the army intelligence division.

In testimony before the senate military affairs committee, made public today, Nolan declared that instructions had been issued by the third internationale at Moscow for the radicals of all countries to see the destruction of military morale and particularly to attack the officer personnel of the armies in Europe and the United States.

Nolan said he did not believe the bolshevik had made any headway in the American army but added that division commanders were taking steps to counteract any red literature that went to American troops.

Plan of Attack Outlined

The Russian government, according to Nolan, is following the same plan in its attack against foreign armies as the one which ruined the old Russian army—the idea of persuading soldiers to agitate against their officers and form soldiers' councils to wrest authority from the officers.

Nolan said that the bolshevik in their efforts to disintegrate world government were working along two lines. Their other method, he said, was to support armed attacks along their frontiers.

Explaining the bolshevik military situation, he produced a report from the American military attaché in Switzerland, analyzing the bolshevik military campaigns, first describing the Baltic-Black sea line as the most important bolshevik frontier area with three main concentrations:

1. In the north against Finland and the Baltic provinces, two bolshevik armies aggregating 30,000 men. Opposed to them are the forces of Finland, 30,000; Estonia, 15,000; Latvia, 45,000.
2. In the center against Poland, five armies with 160,000 men to which are opposed Polish forces numbering 84,000.
3. In the south, along the Rumanian-Bessarabian frontier, five bolshevik armies aggregating 100,000 men, to which are opposed Rumanian forces of 120,000.

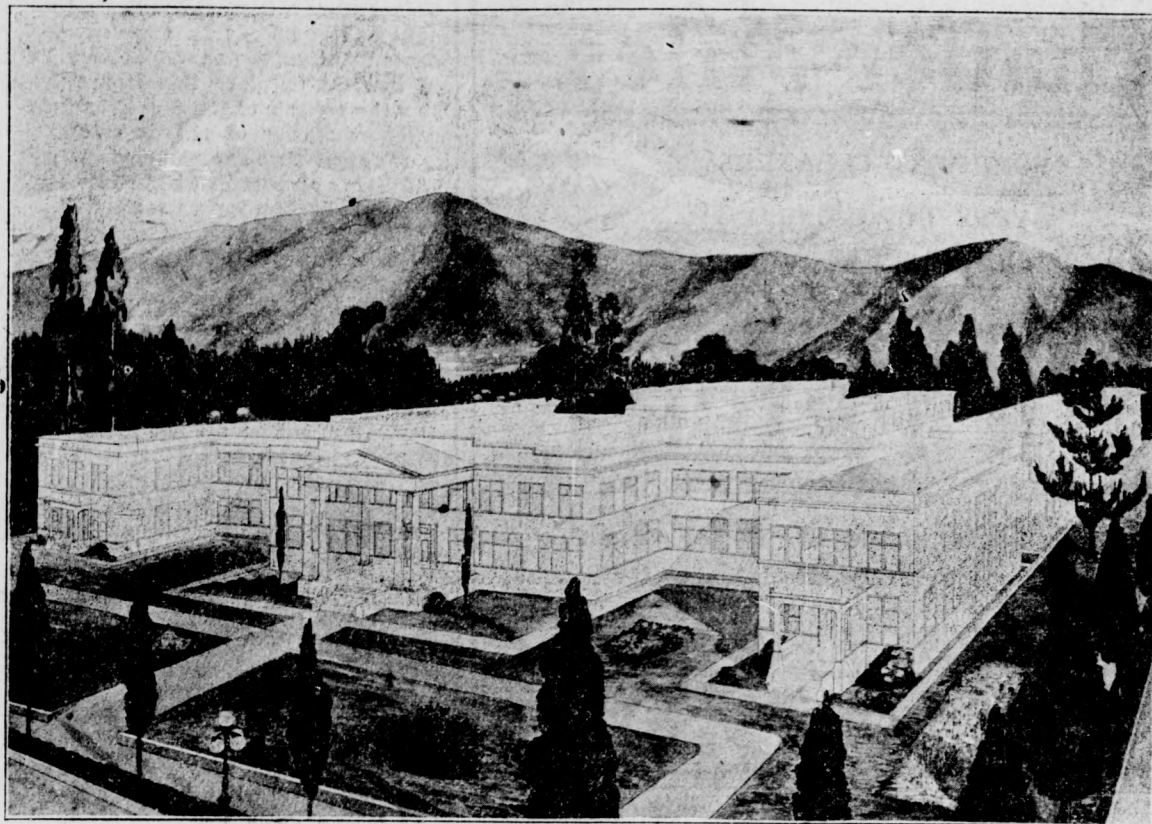

The report also stated further bolshevik concentration as follows:

In Asia Minor and the Caucasus, including North Persia, 75,000 men. Turkestan, 20,000 effectives.

The trans-Baikal region with the Bolshevik army of central Siberia, numbering 38,000 and an army at Krasnoyarsk of 30,000.

The report submitted by Nolan estimated the total organized strength of the bolshevik armies at 1,000,000 men of whom 500,000 or 600,000 were armed at this time.

German Communists Get Thirty Seats

BERLIN — German Communists polled 1,200,000 votes in the Sunday elections to the new Prussian Landtag. This was their first appearance on an official Prussian ballot. They captured thirty seats and will constitute with the Independent Socialists, who elected twenty-eight Deputies, the far left opposition wing.

The majority Socialists will have 111 Deputies, losing forty-one seats. The democratic party's representation is reduced from sixty-six to twenty-five, and the Clericals dropped from ninety-four to eighty-three, giving the Prussian three party coalition bloc 219 mandates, as against their former 304.

There are 8,000,000 farms in the United States, 2,500,000 of these containing more than 100 acres.

Serious Conditions In Crops Related

CINCINNATI—Secretary of Agriculture Meredith today, in addresses to business men and farmers, pointed out that the agricultural situation was serious, stating that although the farmers produced the greatest crop in history in 1920, it was worth \$5,000,000,000 less than the 1919 crop. He urged marketing on credit; better transportation facilities; regulation of marketing machinery to prevent sharp practices, and spoke of the possibilities of short time credits. He also advocated higher prices for farm products.

In reciting the achievements of his department, he said that it spent \$20,000 to introduce rice growing in California and the crop was valued at \$21,000,000, and that from the \$40,000 expended for the introduction of Egyptian wheat in the arid southwest, a crop of \$20,000,000 developed.
